

The Tour for Humanity stops in North Bay

It is a fully self-contained mobile classroom that educates students in a highly interactive environment.

Pictured is Kirk Kelusky, MPP Vic Fedeli, and Principal Andy Gagne attending the Tour For Humanity at West Ferris Intermediate and Secondary School.

This exciting educational initiative, presented by Friends of Simon Wiesenthal Center for the Holocaust Studies, is a fully self-contained mobile classroom that educates students in a highly interactive environment. The Tour for Humanity inspires and empowers students to raise their voices and take action against hate to help make the world a better place. This unique project, designed to initiate discussion on the critical human rights issues, is now in its second year of operation.
